Letter of notification of disagreement and request to go to appraisal per the rights included in my policy.

This is to notify you that I do not agree with the amount off loss you have offered to restore my property back to pre-loss condition. Please hire your appraiser with in the allotted time of 20 days. I will hire my appraiser and notify you of who that is once I have done so. Per the policy, the appraisers will agree to the amount of loss, if they cannot agree they will appoint an umpire.

Thank you.
